12.30pm	End of Programme	Harmony Hall (Level 2)

Station	Synopsis
Lights! Camera! Action!	Children will watch a performance by our P2 performers based on "The Jungle Book". They will be enthralled by its colours and vibrancy. All students in FTPPS will have the experience of performing onstage! Audience will also be entertained by our choir with a medley of songs.
Fun with Fitness	Spartan Junior Obstacle Course? No problem! Be awed by the strength of the little ones as they go through a simple Spartan Junior Obstacle course specially designed for them! They will also try out some basic skills of throwing and catching which they will experience in Primary One.
Learning Comes Alive!	Children will play with SPARKLE Kits to discover the various Science concepts covered in the Primary Science classrooms. They will also observe how coloured flowers are made and how bacteria cells look through a clip-on lens.
Play! Explore! Discover!	Manipulatives can excite children and make learning fun. In FTPPS, children can use manipulatives in the learning of the English language. At this station, children will use these manipulatives to learn spelling and pick up some vocabulary.
Say Cheese!	Children visiting First Toa Payoh Primary School will get to have a photograph opportunity where they pose for formal and fun shots.
Fun with Mother Tongue Languages	Learning the Mother Tongue Languages (MTL) can be fun, exciting and meaningful! Be engaged through cultural discovery and authentic experiences in an enjoyable way. Children will discover for themselves the joy of learning the MTL through hands-on and interactive activities that will encourage them to apply the language in a multitude of real-world contexts.
Maths Fun Time!	Specially designed games based on the basic mathematics concepts will definitely excite the children. The various game stations foster the joy of learning as children will be guided to play on the number mats, put weights on the weighing balance and create pictures with different shapes.
Snack Time	Children will have a first-hand experience of being independent. They will get to make choices and buy food from our friendly school canteen vendors. The experience of queuing for food, ordering food and sitting together to eat is one of the highlights of primary school. Parents are encouraged to give your child/ward some pocket money (about \$2.60) for his/her experience at the school canteen.
